Need Profits? Got Imagination?

The AllSeasons Orbit is a digital printer that prints baseballs, softballs, bats, or holiday ornaments (glass). The print is a full 360 degree print around the ornament, not just a spot print. Not a transfer. Imagine buying ornaments for less than 50 cents and selling them for \$15 to \$20 each! Put a stand with an ornament, and it is an all year fund raiser or commemorative gift. Print team baseballs or bats, with a photograph of the team, mascot, or won-loss record. The All Seasons is a perfect profit maker for gift, screen or digital print, embroidery, sign, Ebay sellers, photography, or trophy & award shops.

The **AllSeasons Orbit** is named the AllSeasons for its ability to make money year around. Print Softballs & Baseballs in spring & summer. Ornaments are not just for the holidays. Our customers have done some really cool things with ornaments. Remember, once you add an ornament stand to the ornament, the decorated ornament is a commemorative suitable for night stands, desks, or bookcases.

Babies & Birth Announcements. Several customers have an arrangement maternity wards to provide ornaments with a new-born photo with name, weight, & time of birth. What a great gift for grandparents, aunts/uncles, & other family members.

Memorials. Funeral homes have bought bulbs of deceased. One customer has told us that this is a very steady business for them, as they have contacted a large number of funeral homes.

Fund Raisers. Booster clubs have done all kinds interesting ornaments. Band, Cheerleading, Athletic Booster clubs, have all used ornaments and stands. Printed ornaments cost less than \$1.50 to produce, can be 'wholesale' priced to the booster clubs at \$10.00, and sold at \$15.00 to \$20.00 each, especially if they are personalized. What parent or grandparent wouldn't want picture of their child? They are tired of buying chocolate and bad fruit cakes anyway!

Teams & Tournaments. Baseball & Softball teams use the AllSeasons for both awards and fund raising. Balls have room for an individual photo, a team photo, and team information.

Events. Our customers have done a wide range of personalized ornaments for car shows, horse shows, dog shows, karate tournaments, gymnastic & cheer competitions, vintage tractor shows. These are easily done with a digital camera, computer/monitor, and printed order forms. The buyer selects a picture, selects a template, adds their text, fills out the shipping address, & pays. You print and ship the next week. Remember to include re-order information, when people see the ornaments they want one too!

eBay stores. Several customers have added eBay to their business with the AllSeasons. Most specialize in custom items in specialty areas like pets, clubs, hobbies, and of course custom Christmas & Holiday ornaments.

Special Interest. Often times hobbyists & enthusiasts cannot find enough custom gifts, and are great candidates for ornaments. We have customers who specialize in stamp collecting, toy trains, & duck decoys.

Churches. Ornaments with a photo of the church with information about the church or commemorating the church has been wildly popular. One customer actually photographs and prints the ornament and then visits the church with the finished ornament. Some churches have used them as fund raisers.

Pet Groomers. Pet owners love custom ornaments almost as much new parents love baby ornaments. There are many groomers and they too are looking for additional revenue. A printed ornament of a dog and owner, on a stand and set it on the counter of the groomer. The ornament does the selling. Work out an commission arrangement with the groomer to write the orders from a template sheet.

Christmas Bazaars & Shows.

All of November & December is filled with selling opportunities for custom ornaments. Like the event providers, the buyer selects or provides a picture, selects a template, adds their text, fills out the shipping address, & pays. Always include re-order forms, they will come. A couple of good shows and you will pay off your entire machine.

Do the math! A printed ornaments total cost is less than \$1.50 including a box. Most Orbit owners are selling ornaments for \$15 to \$20 each (plus S & H). Print only 400 ornaments and you have paid your AllSeasons Express off. Home based business has never been easier. The AllSeasons perfectly supplements existing businesses. Printed samples in your showroom, order area or in the hands of a customer and the printed ornament does the selling!
